

Clear Lube A

Chain & Cable Lubricant

CLEAR LUBE A is an aerosol chain and cable lubricating gel which penetrates and lubricates moving parts. This clear lubricant provides anti-wear and extreme pressure resistance while tackifiers prevent sling off. Specially formulated additives provide excellent adhesion properties and resistance to elevated temperature breakdown. **CLEAR LUBE A** forms a non-staining, rust protective coating. Great for use on material handling equipment, chain saws, road and construction machinery, marine equipment, conveyors, hoist chains and more. USDA approved for use in federally inspected meat and poultry plants.

DIRECTIONS: Shake vigorously before each use. Spray liberally and allow to penetrate. Apply final cover coat.
