Solvent Base

**ELIMINATOR PLUS** is a extra powerful solvent based room deodorizer spray that can be used as a space spray or as a total release fogger without leaving residue. The fine mist penetrates to remove odors embedded into walls, curtains, ceiling tiles, upholstery and more. **ELIMINATOR PLUS** is not an odor mask, it destroys odors by chemical neutralization, eliminating the need for costly fogging equipment that could break down when you need it most. One can of **ELIMINATOR PLUS** will treat 6,000 cubic feet, removing the toughest odors caused by curry cooking, decay, urine, feces, solvents, cigarette smoke, cooking, pet odors and much more. Available in **Berry Plus, Cucumber Melon and Linen Fresh Plus**. To keep area smelling fresh continuously, try Omega's **MIST** deodorizer sprays in a metered spray cabinet, or **SCENT APPEAL** aerosol sprays.

**Directions:** Place can on raised surface near middle of room. Spread paper or cloth directly below can for protection. To lock valve into open position for total discharge, press valve button all the way down, locking the latch. Place fogger down and immediately leave area for at least 2 hours. Ventilate room for 30 minutes before re-entering. NOTE: The valve can be operated to give shorts bursts of spray by lightly depressing valve and pointing can to area to be sprayed.
