

Enviro Clean

Cleaner & Degreaser
with Bio-Enzymatic Action

ENVIRO CLEAN is an all natural cleaner and degreaser that is formulated for cleaning and deodorizing and can be used on any water safe surface. Cleans glass, tile, porcelain, marble, vinyl, plastic, chrome and stainless steel without streaking! **ENVIRO CLEAN** contains liquid alive bacteria plus enzymes which liquefy and digest organic waste and eliminate stains and odors at the source including stains from mold, mildew and fungus growth. Works on contact to clean and deodorize, then extends cleaning time as the bacteria multiply and continue working to reduce organic matter, grease and food by-products. **ENVIRO CLEAN** provides an all natural solution to cleaning and deodorizing without hazards to personnel. Special spray valve allows product to be sprayed from any position allowing for maximum ease of use on any surface. **ENVIRO CLEAN** is non-hazardous, non-polluting, non-toxic, and is biodegradable.

Directions: Can be sprayed onto cloth, sponge, or directly onto surface. Wipe area clean. For difficult to remove stains or odors, allow foam to remain for several minutes before wiping.

Health	1
Flammability	2
Physical Hazard	0
