

# FRESHEN UP AWAY

## Odor Control With Citronella

**FRESHEN UP AWAY** is a granulated solid that destroys malodors in the air by attacking it at the source. It is ready-to-use and is very cost-effective. Only a small amount of **FRESHEN UP AWAY** goes a long way, and still provides effective instant results. Furthermore, it can be used in many different applications and can be used indoors as well as outdoors, thus making it a truly versatile product. **FRESHEN UP AWAY** can be used with sweeping compound to freshen as you sweep, as an absorbent to pick up oil and other liquids, added to sand urns or placed in and around garbage receptacles to reduce odors. The clay based formula is ideal for adding to the bottom of trash can liners to deodorize as well as soak up any liquid that ends up in the bottom of the bag. **FRESHEN UP AWAY** with Citronella makes it the perfect solution for garbage areas, dumps, drain beds, sewer manholes, barns, etc... where odors and flying insects are a problem.

**Directions:** Sprinkle over area causing odors or where odors are likely to occur. Sprinkle generously over spill to be absorbed.
