

GARAGE GRIZZLY

Gas Pump & Concrete Cleaner & Degreaser

GARAGE GRIZZLY is a biodegradable gas pump and concrete cleaner and degreaser. **GARAGE GRIZZLY** cuts through diesel fuel, heavy grease and road grime. **GARAGE GRIZZLY** contains a deodorizer that eliminates that pungent gasoline smell. **GARAGE GRIZZLY** is user friendly containing no harmful caustics or acids.

DIRECTIONS

Gas Pumps: Spray and wipe hoses, handles and nozzle-holding areas. Spray **GARAGE GRIZZLY** directly onto a damp towel and wipe off pump face and sides of pump.

Concrete Pump Bases: Spray **GARAGE GRIZZLY** onto the concrete surrounding the pump. Wait for product to dry. Rinse off with a hose or bucket of water. For tough oil spots agitate with a deck brush before rinsing.
