

GO AWAY GEL

Asphalt & Tar Remover
Citrus Gel Formula

GO AWAY GEL is a natural citrus base tar and asphalt remover that breaks down grease, tar, asphalt, tack oil, etc. The remarkable gelled formula clings to vertical surfaces for increased contact time.

ASPHALT OR HEAVY OIL REMOVAL: Simply spray **GO AWAY GEL** full-strength onto surfaces soiled with asphalt or oil spills, splatters and over sprays and watch the deposits melt away. Rinse with hose or pressure washer.

GRAFFITI AND ADHESIVE REMOVAL: Apply **GO AWAY GEL** liberally full-strength onto affected surface and allow 5 minutes to penetrate. Then repeat application and let set for 15-20 minutes and finally pressure wash the surface clean. Scrub with a stiff brush as needed to promote penetration of product. **GO AWAY GEL** works great to clean paint brushes and rollers of latex paint.

BUG AND TAR REMOVAL, INK REMOVER, CARPET AND LAUNDRY STAIN REMOVER: Dilute concentrate 32 oz. per gallon of warm water (3:1). Mop, spray or sponge onto surface and allow to stand at least 5 minutes. Scrub or brush thoroughly and rinse with clean water.

FOR ODOR CONTROL AROUND DUMPSTERS, GARBAGE DISPOSALS, SEPTIC TANKS, KENNELS, ETC.:

Dilute 8 ounces of concentrate per gallon of water. Spray or mop onto area to be treated and allow to stand.

NOTE: Pretest all plastic or sensitive surfaces prior to use.
