

Graffiti Buster

Graffiti Remover

GRAFFITI BUSTER is a ready to use graffiti remover that removes ink, spray paint, lipstick, felt marking pens, etc... from such surfaces as formica, vinyl, baked enamel, painted surfaces, cement, brick, marble and granite.

Directions: **GRAFFITI BUSTER** is ready-to-use; Do not dilute. Pre-test all surfaces in an inconspicuous area to be sure that they are not affected by **GRAFFITI BUSTER**. Spray or brush **GRAFFITI BUSTER** onto the surface containing graffiti. Allow **GRAFFITI BUSTER** to work from 1 to 10 minutes depending on the type of graffiti to be removed. Many types of graffiti can be wiped off immediately upon application, e.g. counter tops, restroom partitions, etc. For hard to clean surfaces, apply **GRAFFITI BUSTER**, allow time for graffiti to dissolve and wash off with a pressure washer using **GRAFFITI BUSTER** at 2 ounces per gallon of water. Collect rinse solution and dispose of according to local, State and Federal regulations.
