

# Jell Strip

## Paint & Varnish Remover

**Jell Strip** Paint & Varnish Remover is a gel based paint remover that quickly removes paint, lacquer, shellac, enamel, labels, carbon deposits, silicone, simulated wood paneling and similar materials. Product will not run. The methylene chloride free formula is a safer alternative to paint removal.

**For use by:** Auto dealers, paint shops, maintenance departments, engine rebuilders, factories, furniture refinishers, painters, sign, builders, schools, motels, hotels, hospitals and offices.

### Directions:

Shake well before using. Holding can 8 to 10 inches from surface to be treated, apply a medium to heavy coat on surface as needed. A thicker application will speed up action. Blistering will occur in three or four minutes, but may take up to twenty minutes, depending on material being treated. Allow product to completely blister before removing.
