

K.O.'D

Instant Action
Carpet Spot Remover

K.O.'D is a powerful carpet stain and spot remover. It contains strong cleaners and degreasers to remove stains due to a wide variety of causes including dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. With its concentrated stream spray, and upside down spray valve, **K.O.'D** easily attacks spots and stains without heavy over-spray. It quickly saturates materials for instant cleaning, but because it contains no solvents, it will not soften carpet backing, nor will it leave any residue behind but **K.O.'D** doesn't stop there! With an effective odor neutralizer, odors from urine, vomit and blood are eliminated through oxidation catalysis, leaving a pleasant fragrance. For deeply imbedded odors such as animal urine, pre-treat areas with Omega's **MEGA BAC** Liquid Alive Bacteria to completely saturate the pad and remove the odor, then spot clean area with **K.O.'D**.

Directions: Shake well before using. **K.O.'D** must be sprayed with the container pointed downward. Aim can downwards at spot or stain to be removed, with can held at arms length. Apply product in short bursts until spot or stain is thoroughly wet. Wait one minute for spots or stains to disappear. If necessary, reapply and blot stain with absorbent cloth or paper towel for soil removal. Some rubbing may be necessary for stubborn stains. Do not scrub with any harsh brushes or scrubbing tools, as damage may result. Allow to dry thoroughly after cleaning. For general carpet cleaning or large areas use Omega's **RENEW** Carpet Extractor solution.

Areas of Use:

- *banquet facilities
- *retirement homes
- *apartments
- *vehicle maintenance
- *schools
- *model units
- *office buildings
