

K.O.'D

Instant Action Carpet Spot & Stain Remover

K.O.'D is a powerful carpet stain and spot remover. It contains strong cleaners and degreasers to remove stains due to a wide variety of causes including dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. With its concentrated stream spray, and upside down spray valve. **K.O.'D** easily attacks spots and stains without heavy over-spray. It quickly saturates materials for instant cleaning, because it contains no solvents, it will not soften carpet backing, nor will it leave any residue behind. But **K.O.'D** doesn't stop there! With an effective odor neutralizer, odors from urine, vomit and blood are eliminated through oxidation catalysis, leaving a pleasant fragrance. For deeply imbedded odors such as animal urine, pre-treat areas with Omega's **MEGA BAC** Liquid Alive Bacteria to completely saturate the pad and remove the odor, then spot clean area with **K.O.'D**.

Directions: Can sprays upside down only. Remove protective cap. Shake well. Hold can upside down. Point opening of spray tip towards spot or stain. Depress the tab on top of the spray tip to spray. Apply short bursts until spot or stain is covered. Allow a short period of time for **K.O.'D** to penetrate stain. Blot spot with a clean cloth working from the center of stain out. Stain or spot will be gone in seconds. For excessive deposits of grease, oil, or ink may require additional applications. Wait until material is dry before reapplying.
