

Kleen N' Shine

Vehicle Wash & Wax

KLEEN N' SHINE is a high sudsing mild detergent specially compounded for washing cars, campers, trailers, tractors, trucks, golf carts and much more. **KLEEN N' SHINE** will not strip existing wax or protective coatings from your vehicle's surface and will leave your vehicle spotless and film free with minimal effort. It is safe to use on all auto and truck finishes and is biodegradable. This one step cleaner combines both cleaning and waxing agents, making the job of cleaning your vehicle that much easier. **KLEEN N' SHINE** will leave you with the best shine, maximum protection, and help you maintain your vehicle's paint and protective coatings.

Directions: 1. Use 1-3 fl. oz. in mixing container for each gallon of warm or hot water. 2. Fill with water under pressure to increase suds. 3. Rinse freely. Never wash vehicle in hot sun. Minimum toweling required.
