

LOOSEN UP

Odorless Organic
Penetrating Lubricant

LOOSEN UP is non-conductive, harmless to paint and plastics and environmentally safe. **LOOSEN UP** contains no chlorinated or fluorinated solvents making it an ideal product to use in an environmentally conscious situation. **LOOSEN UP** penetrates and loosens frozen and/or rusted parts quickly. **LOOSEN UP** lubricates and leaves a residual film which reduces friction, for less wear and quiet, longer lasting operation. Displaces moisture by leaving an oil film that provides a chemical barrier that repels moisture.

Non-conductive: Will not interfere with circuits or electrical equipment up to 22,000 volts.

USDA Authorized for Use in Federally Inspected Meat and Poultry Plants.

USE AT: Maintenance Departments, Industrial Plants, Refineries, Schools, Municipalities, Cities, Pipelines, Automotive & Truck Fleets.

DIRECTIONS

Remove protective cap. Point opening in desired direction. Hold container 6-12 inches from surface to be treated. Press button to spray. Spray liberally. Apply periodically as required
