

MIRACLE

Enzyme-Powered All-Purpose
Degreaser & Cleaner

Make light work of stubborn dirt, grease, grime, smoke, residue and soap scum with **MIRACLE**'s concentrated formula. The specifically formulated enzymes and tough surfactants in **MIRACLE** clean floors, walls, washrooms, tables, counters, windows, mirrors, white boards, smoking lounges, non-wooden desks and office furniture and many other hard surfaces. **MIRACLE** is easy to use in trigger sprayers, mop buckets, floor machines and low pressure sprayers and leaves areas smelling clean with a fresh scent. The non-toxic formula of **MIRACLE** with no hazardous components means safety for employees, customers, students and patients.

DIRECTIONS

Recommended dilution rate for **Light Cleaning** use 2 ounces to 1 gallon of water (64:1), for **Medium Cleaning** use 4 ounces to 1 gallon of water (32:1) and for **Heavy Cleaning** use 12.8 ounces to 1 gallon of water (10:1). Do not spray **MIRACLE** at concentrations stronger than 4 ounces to 1 gallon of water (32:1).

Mop and Bucket: Fill bucket with water before adding **MIRACLE**, use 4 ounces to 1 gallon of water (32:1) for mopping floors.

General Cleaning: Fill a trigger sprayer with 2 ounces of **MIRACLE** to 1 gallon of water (64:1).

For Glass Surfaces: use 1 ounce of **MIRACLE** to 1 gallon of water (128:1).
