

PW Concentrate Kit

Parts Washer & Degreaser

PW Concentrate is an all-purpose industrial cleaner and degreaser that has an incredible zero rating in the three NFPA categories of flammability, health, and reactivity when diluted. It is so safe that it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, and glass. While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains, and soils. Leaves behind a fresh, pleasant fragrance. Contains corrosion inhibitors to prevent damage to metal surfaces making it ideal for use in the **Parts Washer**.

*Pump flow: 4 gallons per minute

*Liquid Capacity: 4 gallons

*Dimensions: 25" x 18.5" x 9.8"

*Material: HDPE

*Electrical: 110/120V

*Empty weight: 11 lbs.

*Maximum weight: 110 lbs.

Directions: Dilute 1 pint into a gallon of water, spray onto surface, and wipe clean. Fill through the drain plug on the end of the unit. Always disconnect the power supply when filling and emptying. Connect the power cord into a standard 110 outlet with ground. Circulation and brush are activated when machine is switched on. Do not operate dry or damage to the pump may occur. To move the **PW Concentrate**, ensure drain plug is in place. Turn off unit and unplug power cord. Lift the unit via hand grips on each side. Keep flat during transport. Do not move unit while in operation.

Health	1
Flammability	0
Physical Hazard	0
Protection	-

Areas of Use:

- *Metal
- *Plastic
- *Wood
- *Painted Surfaces
- *Fiberglass
- *Rubber
- *Carpet
- *Glass

Appearance and odor.....	Green liquid mild soapy odor.
Specific Gravity.....	1.04 g/ml
Net Wt.	1 Gallon.
