Furniture Polish

POLISH-ALL is a light, creamy smooth formula that has a quality blend of refined waxes, lemon oil and cleaners. **POLISH-ALL** cleans, waxes and polishes all in a single step. Removes finger marks, dust, grease, smoke film, smears and smudges. **POLISH-ALL** nourishes and moisturizes fine wood furniture, adds life to dried out surfaces, covers minute scratches and imparts a durable gloss to all finishes as you dust. **POLISH-ALL** leaves a tough, high luster shine and a pleasant lemon scent while protecting against water spills, stains and ordinary wear.

Directions: Shake can before using. Remove cap and hold container 6 to 8 inches from surface being sprayed. Push button, spray lightly and wipe immediately with a soft clean cloth. (For antiques and pieces where the finishing process may be old or unknown, use on an inconspicuous surface area first.) To polish chair rungs, table legs or other small areas, spray directly on cloth and wipe the surface. Use in the same manner to REMOVE STAINS, SMUDGES and FINGERPRINTS. Avoid overpray on flooring as surface may become slippery.
