

REVIVE

Wood Preservative
and Scratch Remover

REVIVE is specially formulated for cleaning, enhancement and repair of wood grain and many other decorative surfaces. **REVIVE** produces a wood penetrating spray to maintain wood's essential oils and create lustrous, shiny appearance by removing dust, smoke film, soot, dirt, oil, smudges, smears, wax build-up and other soils from a variety of treatable surfaces. **REVIVE** is ideal for use on paneling, furniture, antiques, desks, displays, doors, walls, chrome, brass, metal, stainless steel, Formica© and laminated surfaces.

DIRECTIONS

Read Cautions and Directions carefully before using: Shake well before use. Hold can upright 10-12 inches from surface and spray lightly. With a clean, lint-free, soft, dry cloth, polish the entire surface in the direction of the wood grain. Wipe off any excess.

NOTE: For old, dried out or heavily soiled wood surfaces, a repeat application may be necessary for maximum beauty and protection of the wood.

Areas of Use:

- *Apartment Complexes
- *Cities & Counties
- *Construction Companies
- *Building Maintenance
- *Hotels
- *Museums
- *Office Buildings
