

This brief provides a general overview of the **Safety Data Sheet** requirements in the Hazard Communication Standard OSHA's 29 CFR 1910.1200(g) and Appendix D of 29 CFR 1910.1200).

Section 1 ~ Identification

Identity (As Used On Label and List) Q2077/G3188 MEGA BAC PLUS GREEN TEA	Date Prepared: 05-06-2025
Company Information: OMEGA INDUSTRIAL SUPPLY, INC	Emergency Telephone Number: 1-800-424-9300
Address (Number, Street, Suite/Apt#) 1133 WEST 27TH STREET	Telephone Number for Information: 1-800-571-7347
(City, State, and Zip Code) CHEYENNE, WY 82001	Signature of Prepare (Optional) REGULATORY DEPT.

Section 2 ~ Hazard(s) Identification

Classification -

Symbols No labeling applicable

Other Hazards No additional information available.

Unknown acute toxicity (GHS-US) Not applicable

Section 3 ~ Composition/Information on Ingredients

Components (Specific Chemical Identity, Common Name(s))	CAS No.	OSHA PEL	ACGIH TLV	%(Wt.)
Not applicable				
Full text of H-statements: see section 16				

Section 4 ~ First Aid Measures

Eyes — Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist.

Skin— Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse.

Inhalation — Allow breathing of fresh air. Allow the victim to rest.

Ingestion — Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.

Most important symptoms and effects, both acute and delayed— Not expected to present a significant hazard under anticipated conditions of normal use.

Indication of any immediate medical attention and special treatment needed— No additional information available.

Section 5 ~ Fire Fighting Measures

Suitable Extinguishing Media – Foam, dry powder, carbon dioxide, water spray, sand.

Unsuitable Extinguishing Media – Do not use a heavy water stream.

Special hazards arising from the substance or mixture – No additional information available.

Firefighting Instructions – Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment.

Protection During Firefighting – Do not enter fire area without proper protective equipment, including respiratory protection.

Section 6 ~ Accidental Release Measures

Personal Precautions, Protective Equipment and Emergency Procedures

For Non-Emergency Personnel — Evacuate unnecessary personnel.

For Emergency Responders — Equip clean-up crew with proper protection. Ventilate area.

Environmental Precautions — Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters.

Methods and Material for Containment And Cleaning Up — Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect spillage. Store away from other materials.

Reference to other sections — See heading 8. Exposure controls and personal protection.

Section 7 ~ Handling and Storage

Precautions for Safe Handling — Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor.

Storage Conditions — Keep only in the original container in a cool, well ventilated place away from heat sources. Keep container closed when not in use.

Incompatible Products — Strong bases, strong acids.

Incompatible Materials — Sources of ignition. Direct sunlight.

Section 8 ~ Exposure Controls/Personal Protection

Appropriate engineering controls/ventilation – No additional information available.

Hand Protection– Wear protective gloves.

Eye/face protection– Chemical goggles or safety glasses.

Respiratory Protection – Wear appropriate mask.

Other– Do not eat, drink or smoke during use

Section 9 ~ Physical Chemical Properties

Boiling Point	212°F	Specific Gravity	-
Relative Vapor density at 20 °C	1	Melting/Freezing Point	No data available.
Relative Density	No data available.	Relative Evaporation rate (butylacetate=1)	No data available.
Water: Solubility in water of component(s) of the mixture :	• nonylphenoxy poly(ethyleneoxy)ethanol: soluble	pH	7 – 9
Appearance and Odor — Liquid, off white, opaque with green tea with aloe odor.		VOC%	-
Flash Point (Method Used): No data available.	Auto - Ignition Temperature: No data available.	Explosive properties: No data available.	

Section 10 ~ Stability and Reactivity

Stability: Stable under normal conditions	Conditions to Avoid – Direct sunlight. Extremely high or low temperatures.	Possible Hazardous Reactions:	No dangerous reactions known under normal conditions of use.
--	---	--------------------------------------	--

Incompatibility (Materials to Avoid) – Strong acids, strong bases.

Hazardous Decomposition or Byproducts – Under normal condition of storage and use, hazardous decomposition products should not be produced.

Reactivity — No additional information available.

Section 11 ~ Toxicological Information

Acute toxicity : Not classified

Skin corrosion/irritation: Not classified. pH: 7 – 9

Respiratory or skin sensitization : Not classified

Carcinogenicity : Not classified

Specific target organ toxicity (single exposure) :Not classified

Aspiration hazard : Not classified

Potential adverse human health effects and symptoms: Based on available data, the classification criteria are not met.

Serious eye damage/irritation: Not classified. pH: 7 - 9

Germ cell mutagenicity : Not classified

Reproductive toxicity : Not classified

Specific target organ toxicity (repeated exposure): Not classified

Section 12 ~ Ecological Information

Toxicity: No additional information available.

LIVING PROOF SCENTZYMES BIOACTIVE CULTURES

Persistence and degradability: Not established.

Bioaccumulative potential: Not established.

Mobility in soil: No additional information available

Other adverse effects: No known ecological damage caused by this product.

Other information: Avoid release to the environment.

Section 13 ~ Disposal Considerations

Waste Disposal Recommendations — Dispose in a safe manner in accordance with local/national regulations.

Ecology - waste materials — Avoid release to the environment.

Section 14 ~ Transport Information

US Depart. of Transportation (DOT)		Water Transportation (IMDG)		Air Transportation (IATA)	
Proper Shipping Name:	Not regulated	Proper Shipping Name:	No additional information available	Proper Shipping Name:	No additional information available

Section 15 ~ Regulatory Information

US Federal Regulations

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory.

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

CANADA: No additional information available

EU-Regulations: No additional information available

National Regulations: No additional information available

US State Regulations: California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

Section 16 ~ Other Information

	NFPA	HMIS	Key
HEALTH	0	0	4= Severe
FLAMMABILITY	0	0	3= Serious
REACTIVITY	0	0	2= Moderate
OTHER/PROTECTION	-	-	1= Slight
			0= Minimal

DISCLAIMER: No representation or warranty, either expressed or implied, of merchantability, fitness for a particular purpose, or of any other nature, is made with respect to information concerning the product referred to in this document. The information contained herein is, to the best of our knowledge and belief, accurate. However, since the conditions of handling and use are beyond our control, it is impossible to foresee every health effect or exposure risk incurred by the use of this product. All chemicals present some degree of hazard and should be used with caution. The information and recommendations contained herein are presented in good faith. The user should review this information in conjunction with their knowledge of the application intended to determine the suitability of this product for such purpose. In no event will the supplier be responsible for any damages of any nature whatsoever, resulting from the use, reliance upon, or the misuse of this information. Furthermore, it is the direct responsibility of the user to comply with all applicable regulations governing the use and disposal of this material.
