

SCENT SOURCE TOWER REFILL 4oz

SCENT SOURCE fragrances create a subtle yet invigorating scent perfect for spaces where fragrance sensitivity is an issue.

DIRECTIONS

Switch off your **SCENT SOURCE TOWER** diffuser unit. Carefully remove plastic bottle cap and retain for future use. Twist top of **SCENT SOURCE TOWER** unit to open. Remove existing bottle and replace the cap. Holding the **SCENT SOURCE TOWER** unit top upright twist new fragrance bottle into unit and replace on base. To clean unit periodically, run with 91% Isopropyl Alcohol for several minutes before installing a new fragrance bottle. Consult manual for details.
