

SPLASH GUARD 60

Vertical Urinal Screen

SPLASH GUARD 60 contains 3 times more fragrance that can last up to 60 days. The two-sided design eliminates urine splash on both sides for error-free installation. **SPLASH GUARD 60** doesn't require mounting, simply place the base over the drain and lean the body up the back of the urinal and you're done. No suction cups to engage so it is faster and there is less waste. **SPLASH GUARD 60** provides an easy-to-use indicator system to assist in timely maintenance. **SPLASH GUARD 60** doesn't just mask, it releases optimized bacteria that consumes odors. **Available in Fabo (Purple), a high intensity lavender fragrance, and Cotton Blossom (Clear), a medium intensity soft cotton blossom fragrance.**

Directions:

Unwrap **SPLASH GUARD 60**, select replacement date (60 days after installation), remove month tab, remove day tab and place in urinal.
