

BURST

Highly Concentrated
Deodorizer

BURST is an extremely concentrated room and surface malodor eliminator. **BURST** has a exclusive water based formula that is non-staining and can be used as a liquid deodorant, a space spray, and as a contact spray both indoors and outdoors. Great for use in carpet extraction machines, and when added to paint **BURST** will reduce odors left behind from smoke, curry, pets and paint products. This highly versatile odor counteractant is super concentrated to provide long lasting fragrance, so it is ideal to use in any situation, even the toughest odor areas. Available in Berry, Green Tea and Vanilla.

DIRECTIONS:

TO REFRESH DEODORANT GRANULES: Simply pour your favorite scent of **BURST** directly onto granules until saturated, and place granules in air freshener dispenser.

FOR FLOORS, CARPETS, AND WALLS: Pour 1-2 ounces of **BURST** into extraction machine, mop water, or five gallon pail of paint to remove odors embedded in carpets and walls.

FOR GENERAL DEODORIZING: Spray in air to freshen the entire room. **BURST** can even be sprayed directly onto fabrics without staining. Always test in small area before spraying.
