

# CANNON

Liquid Non-Acid  
Non-Fuming Drain Opener

**CANNON** is an easy to use drain opener. It requires no dangerous mixing. **CANNON** will not harm plumbing or septic tanks. **CANNON** aids in the removal of organic obstructions like grease, cloth, hair, paper, and sludge.

#### DIRECTIONS:

Pour 1 pint (1/2 bottle) of **CANNON** directly into drain and allow to stand for 1/2 hour. Repeat if necessary. Extremely heavy grease stoppage may require overnight contact. Large industrial drains need 1 quart of **CANNON**, let stand for 1/2 hour, flush and repeat if necessary. For preventive maintenance use 1 pint of **CANNON** weekly to prevent sludge buildup. Do not use **CANNON** with any other drain openers.
