

CON-RENEW

Concrete Cleaner, Descaler
& Rust Remover

CON-RENEW is a heavy duty, acid based, concrete cleaner. It flushes out hidden deposits and rinses away easily. It cleans and brightens almost immediately, works well in hard water and has no lasting odor. **CON-RENEW** also removes scale from brick, stone, concrete, and exterior building walls plus it is an economical and biodegradable product. Use **CON-RENEW** to clean off redi-mix trucks, mixers, and other concrete mixing and distributing equipment quickly and effortlessly. Will not harm painted surfaces. No scrubbing or scraping is required to make old and stained concrete look new again. Use **CON-RENEW** at full strength to lightly etch concrete in preparation for painting. After using **CON-RENEW** to brighten your concrete, clean your asphalt parking lots with Omega's **MEGA POWER** heavy duty degreaser for a fresh new look all over!

DIRECTIONS:

For heavy duty cleaning of concrete, use 2 parts water to 1 part **CON-RENEW**. For lighter stains and whitening of concrete use 3 parts water to 1 part **CON-RENEW**. For machines use full strength: May be used to remove rust from metal, use 2 to 5 parts water to 1 part **CON-RENEW**.
