

# FOAM LINE

Sewer Line Cleaner  
and Degreaser

**FOAM LINE** is specifically designed to remove problematic grease build-up in sewer lines. A safe, water-based product comprised of next-generation detergents that remove grease blockages when used with high-pressure sewer line cleaning equipment. **FOAM LINE** is biodegradable, phosphate free and contains no petroleum distillates.

### DIRECTIONS

A minimum 1% solution (1 gallon of **FOAM LINE** to every 100 gallons of water) is recommended. More **FOAM LINE** can be added for tough grease. Use with high-pressure sewer line cleaning equipment.
