

GLOSS ALL

Multi Surface Polish

GLOSS ALL is a light, quick breaking foam that provides a one-step solution to dusting, polishing and protecting simulated wood and other hard surfaces including baked enamel, marble, vinyl, solid synthetic, laminate and plastic. **GLOSS ALL** contains no silicone or wax providing for easy wipe off and no build-up. The natural citrus oils restore surface brilliance to desks, counter tops, file cabinets, vinyl seating, molded fiberglass, stainless steel, baseboards and cabinets. Leaves area with citrus aroma.

DIRECTIONS

SHAKE WELL BEFORE USE. Hold can six to eight inches from surface. Spray directly onto surface and immediately wipe clean with a soft and dry cloth. To enhance appearance, turn cloth over and polish to a high shine.
