

# GO SPOT GO

Hard Water Spot Remover

**GO SPOT GO** removes hard water stains and rust from fiberglass, porcelain and many other hard surfaces. **TEST ON A SMALL AREA BEFORE USING.** **GO SPOT GO** is a heavy duty industrial product. Be sure to wear gloves and use carefully. **GO SPOT GO** should not be used for everyday toilet cleaning, instead use Omega's **SPEEDY CLEAN** or **RING GO** for daily cleaning tasks.

### DIRECTIONS

**FIBERGLASS, SHOWERS, BASIN, BATHTUBS:** Wear gloves. Apply and let stand for 1 to 2 minutes, wipe off stain, soap scum and lime deposit and then rinse thoroughly. Reapply if needed. Water spots and stains will wipe away quickly. May dull porcelain tubs or stall and ceramic tile if let on too long.

**TOILET BOWLS:** **GO SPOT GO** will remove unsightly rings from toilet bowls. First, lower the water level by quickly pouring a bucket of water into toilet. Pour **GO SPOT GO** over stains including under the ring of the bowl. Once all rings are cleaned off, flush the toilet twice to be sure all dirty water has been removed.
