

H2O-LESS

Urinal and Line Cleaner

H2O-LESS URINAL & LINE CLEANER is a concentrated cleaner and drain line maintainer designed with waterless urinals in mind. As it cleans, it removes hard scale and other encrustations that builds up on the fixture and in the drain line. Use regularly for preventative maintenance to remove uratic salts and calcium buildup from drain lines in order to keep drains free flowing and reduce odors. Use Omegas **H2O-LESS DEODORIZER** to keep fixtures smelling fresh between cleanings. **H2O-LESS URINAL AND LINE CLEANER** is non-abrasive and can be used on all restroom surfaces, reducing the number of cleaning products needed for the job!

DIRECTIONS

Apply with a sponge or bowl mop.

Health	0
Flammability	1
Physical Hazard	0
