

HANDY SIZE SANITIZER

Hand Sanitizing Spray

0.33 oz (10ml)
ITEM# B5004

HANDY SIZE SANITIZER is a hand sanitizer spray that can be carried in a toolbox or in a purse, especially during flu season. Cleans and sanitizes against common germs that may make you sick. **HANDY SIZE SANITIZER** comes in a convenient size which can be used anytime, any place, without water or towels, leaving hands feeling refreshed without stickiness or residue. The active ingredient 62% Ethyl Alcohol, is a safe and effective antiseptic and has a pleasant fragrance.

DIRECTIONS

Spray directly into hands and rub together until product evaporates.
