

HOG B GONE

Natural Hog Repellent

HOG B GONE is a professional strength natural hog repellent made with all natural ingredients and is non-toxic & environmentally safe. **HOG B GONE** is a product exempt from EPA registration under minimum risk pesticides exemption FIFRA section 25(b).

DIRECTIONS

Apply liberally to areas invaded by hogs and other porcine animals using a tank sprayer at a rate of 1 gallon per 2000 square feet. For fenced areas, treat entry points. Treat areas likely to create boundaries for roving animals.
