

HYDRO CITRA FOAM

Carpet Cleaner With
Hydrogen Peroxide

HYDRO CITRA FOAM is a revolutionary new idea in carpet cleaning that is safe for use with most synthetic carpet surfaces. **HYDRO CITRA FOAM** cleans and deodorizes in one step and leaves behind no residue. This product is great for organic stains and eliminates pet stains and odors. **HYDRO CITRA FOAM** will encapsulate soil particles and it can be extracted with vacuuming. Vacuuming will also remove all dirt attracting soil residue left behind allowing the carpet to stay clean longer. Do not use on wool carpet.

DIRECTIONS

1:16 Spotter/Pre-Spray: Dilute 8 ounces of Hydro Citra Foam with cold tap water to make 128 ounces of solution.

1:32 Heavy Duty Cleaning/Bonnet: Dilute 4 ounces of Hydro Citra Foam with cold tap water to make 128 ounces of solution.

1:64 Extraction: Dilute 2 oz. of Hydro Citra Foam with cold tap water to make 128 oz. of solution.

As with any fabric or carpet cleaner, always test first for colorfastness in a small inconspicuous area.
