

K.O.'D PLUS

Carpet Spotter
with Enzymes

K.O.'D PLUS is a concentrated blend of enzymes and d-limonene, designed to quickly saturate and break down organic stains and odors caused by blood, urine, feces, vomit, grass stains and most foods. **K.O.'D PLUS** leaves the carpet smelling fresh and clean. Although **K.O.'D PLUS** will not harm most carpet fabrics, all carpets should be tested for color fastness prior to use. To test, spray small area of carpet in out of the way spot, let dry. If carpet discolors, contact supplier before using. Do not use on white or light colored carpet.

NOTE: This product was specifically designed to remove stains and spots from carpet. Use on any other type of material such as upholstery fabric, curtains or clothing will NOT be warranted by the manufacturer.

DIRECTIONS

Can sprays upside down only. Remove protective cap. Hold can upside down. Point opening in spray tip towards spot or stain. Depress the tab on the top of the spray tip to spray. Hold can at arm's length, it is not necessary to bend down to apply this product. Apply in short bursts until spot or stain is well saturated. Stain or spot will be gone in seconds. Excessive deposits of grease, oil or ink may require additional applications. Wait until material is dry prior to reapplying.
