LACQUER LICKER

Paint Removing Hand Cleaner

OMEGA INDUSTRIAL SUPPLY, INC.

LACQUER LICKER is a high performance concentrated hand soap that quickly removes oil based paints, lacquers, and enamels. **LACQUER LICKER** melts adhesives, sealers, primers and resins from your skin. It is exceptional at removing all marine bottom and topside paints, primers, and fairing compounds. Enables rapid removal of all repair and refinish materials from the skin without the use of skin damaging solvents. **LACQUER LICKER** contains fine walnut shell and pumice abrasives to gently deep clean and is fortified with superior skin conditioners to help promote good hand health. Does not dry skin, Does not leave hands "greasy" and contains natural soap - no synthetic nonylphenonylphenolethoxylate.

DIRECTIONS

1. Apply **LACQUER LICKER** to dry hands.
2. Rub in until paint begins to dissolve.
3. Add a small amount of water and continue to rub into hands.
4. Rinse and dry clean hands.
