MEGA BAC FOAM

Foaming Drain Cleaner & Odor Eliminator

OMEGA INDUSTRIAL SUPPLY, INC.

MEGA BAC FOAM contains non-pathogenic bacteria that produce enzymes necessary for degradation of fats, oils, greases and food by-products. Thick, rich foam expands into areas otherwise impossible to reach. 24” tube allows user to apply deep into drains and pipes where build-up occurs. Reduces odors and organic material. Contains no acid or caustics and is non-polluting. This product can also be used after treatment with drain openers to prevent future clogging and residual odors. Eliminates fats, oils, grease and odors in disposals, grease traps, septic tanks, downpipes and drain lines. For use in restaurants, kitchens, bathrooms and recreational vehicles.

DIRECTIONS

Attach the tube to the spray nozzle. Direct tube down drain or disposal and spray until foam is visible. Allow ample time for product to penetrate and break down build-up. Re-apply product periodically to maintain and keep the drain pipe and disposal clean and odor free.

Health	2
Flammability	1
Physical Hazard	0
Protection	A

Areas of Use:

*Cities & Counties
*Hotels
*Schools
*Restaurants
*Hospitals
*Amusement Parks
*Apartment Complexes
