

MEGA CLEAR WIPES

One Step Glass Cleaner

MEGA CLEAR WIPES is a one step glass cleaner that is ready to use and has a unique formula combined with a lint-free wipe that creates a one-step application. **MEGA CLEAR WIPES** are an ammonia free cleaner that easily removes smoke film, fingerprints, smudges, dirt and more without leaving streaks or residue. **MEGA CLEAR WIPES** are great for use on windows, mirrors, windshields and many other hard surfaces.

DIRECTIONS

Unfold **MEGA CLEAR WIPES** to full size. Wipe surface to be cleaned until residue free. Repeat as necessary. Use a feather-lite touch to absorb any moisture left on surface. Dispose of used wipes properly.
