

MEGA SAFE CLEANER

Contact & Circuit Board Cleaner
Dielectric to 25,000 Volts

MEGA SAFE CLEANER is a highly effective blend of solvents that are fast drying, non-conductive and safe to use on metal. Does not contain CFC's or HCFC's and is ozone safe. Use to remove dirt, grease, oil, and grime from circuit boards, computers, magnetic tapes, printed circuits, gauges, switches and relays.

DIRECTIONS:

This product is extremely flammable and equipment MUST be de-energized before using. Shake well and point spray nozzle toward surface to be cleaned. Spray until saturated using a cloth or brush to loosen soil. Reapply if necessary. Allow product to dry and fumes to be completely evacuated before equipment is re-energized

Health	1
Flammability	3
Physical Hazard	1
Protection	B
