

# ODOR BAC AIR

Odor Eliminator Spray

Promotes healthy living by using beneficial waste-degrading technology. Our BSL-1 probiotic formula contains naturally occurring bacteria that promotes a beneficial Normal-Flora (harmless microorganisms) on hard surfaces.

**The unique blend of effective micro-organisms is perfect for:**

- Maintaining A Beneficial Probiotic Coating On Surfaces Long After Cleaning
- Creating A Positive Micro Climate Inside The Room
- Penetrating and Protecting The Spaces You Can't Touch Or See

New technology allows for a finely atomized DRY spray. 100% of the product is available to instantly make contact with surfaces. The dryness of the spray allows for complete surface coating without messy fallout, residues, wetting or staining.

**DIRECTIONS**

- Shake can vigorously for 30 seconds before use.
- Direct Spray pattern to ensure contact with hard surface.
- Products effectiveness begins with hard surface contact.

**GENERAL:** Press firmly on spray button. Keep spray opening at least 12 inches from surfaces.

**TO COAT SURFACE:** Aim spray towards ceiling in the direction of the problem surface and corners of room or other area to be treated. The atomized mist will quickly travel throughout the area coating the surface.
