

OMEGA SANITIZING WIPES

Hand Sanitizing Wipes

OMEGA SANITIZING WIPES are formulated with Aloe and the antioxidant Vitamin E to moisturize the skin. This effective formula cleans hands while killing bacteria, when water is not available. Towels are made from a non-abrasive fabric that is gentle to skin. Unlike runny sanitizing gels, **OMEGA SANITIZING WIPES** do not cause a mess.

DIRECTIONS

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at a 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.
