

PW CONCENTRATE

Safe All-Purpose
Industrial Degreaser

PW CONCENTRATE is an all-purpose industrial cleaner and degreaser that has an incredible zero rating in the two NFPA* categories of flammability and reactivity when diluted.

It is so safe that it can be used on virtually any surface, including metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic and glass.

While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains and soils. Leaves behind a fresh, pleasant fragrance. Contains corrosion inhibitors to prevent damage to metal and surfaces.

DIRECTIONS

Dilute 1 Pint into a gallon of water, spray onto surface, and wipe clean.

For Light Cleaning: Dilute 2 Ounces into a gallon of water.
