

PAN KLEEN LIQUID

Air Conditioner Condensate
Cleaner & Deodorizer

PAN KLEEN LIQUID is an environmentally safe way to control algae and slime in air conditioning pans, lines and refrigeration equipment. **PAN KLEEN LIQUID** helps avoid clogging, eliminate odors and keeps drain lines clean and flowing freely.

DIRECTIONS

Apply **PAN KLEEN LIQUID** on a clean surface before any clogs have formed. If clogs already exist, use Omega's **SLIME AWAY** to unclog before using **PAN KLEEN LIQUID**. For air conditioning units add 1 oz. of **PAN KLEEN LIQUID** for every 1 ton of air conditioning capacity.
