

QUICK

Heavy Duty Porcelain
and Tile Cleaner

QUICK is a heavy duty porcelain and tile cleaner for those difficult stains and hard water deposits.

DIRECTIONS

For all surfaces, test on a small area before use.

FOR TOILETS: Squirt **QUICK** on inside of bowl surface, swab around entire bowl including under the rim with a swab mop. Wipe around the fixture exterior and seat. **QUICK** remains in contact with the bowl. After 5 minutes, flush toilet. Give the bowl a quick mopping with a swab mop to remove any excess. Wipe the exterior with a sponge or cloth. **TO CLEAN TOILET TANKS:** Allow 5 minutes for **QUICK** to do its work and flush. **FOR URINALS:** Squirt **QUICK** on inside surfaces of urinal. Spread around the entire surface with swab mop. Allow to work for 5 minutes then flush and wipe surfaces to remove excess. **TUBS, SHOWER STALLS, SINKS:** Swab area and remove heavy soil. Squirt **QUICK** onto the surface to be cleaned or apply with cloth or sponge to wet all surfaces thoroughly and allow to remain wet for at least 5 minutes. Wipe around with damp cloth or sponge. Do not allow product to dry on surface. Rinse thoroughly with water. **TO CLEAN TOUGH STAINS:** Squeeze **QUICK** directly onto stains and/or surface or onto damp sponge. Rub to wet all surfaces thoroughly. Rinse or wipe clean.
