

RESTORE

Beautifier & Protector

RESTORE is a special moderate foam cleaner and conditioner that cleans leather surfaces of grime, body oils, ink, lipstick and other soils. Foam lifts out and holds dirt and grime in suspension until wiped away. **RESTORE** inhibits cracking, fading and hardening of leather. Foam holds on vertical surfaces, removes most ball point pen markers, won't bleed onto clothing from treated surfaces. Imparts a fresh leather fragrance to the area where used. No unpleasant odor associated with many other leather cleaner conditioners. Contains no silicone or heavy waxes that can damage stitching or become slippery, when using for vehicles.

DIRECTIONS

RESTORE offers a unique 360° valve which allows spraying in an upright or inverted position. Clean heavily soiled surfaces first. Spray **RESTORE** on clean, dry surface, spread with cloth. Let set for short period so surface can be penetrated. Buff and polish with clean, dry, soft cloth or polishing pad.
