

# SNC

Super Neutral Cleaner

**SNC** is a biodegradable concentrated all purpose cleaner. A special blend of emulsifying agents and natural grease cutters that combine into a very effective all-purpose cleaner that has excellent rinseability and is very tough on grease. A neutral solution that is tough on dirt yet mild on your hands. No environmental hazards, **SNC** is 100% biodegradable with no petroleum distillants or gagging fumes.

### DIRECTIONS

For heavy duty cleaning of grease, use two (2) ounces of **SNC** per gallon of water.

For everyday mopping or mechanical scrubbing and maintenance of any type floor, use one half (1/2) ounce of **SNC** per gallon of water.

For cleaning mirrors, fiberglass, aluminum, stainless steel, a dilution of one quarter (1/4) ounce of **SNC** per gallon of water should be used.

Ceramic, porcelain, fixtures, plastic, or leather a dilution of one fifth of an ounce of **SNC** per gallon of water.

For best results surface should be wet before cleaning. The above dilutions are guides and may vary in accordance with water conditions, soil loading, etc. Experience should be your future guide in determining the best dilution ratios
