

SPONGE BOY

Cleaning Sponge
Use Only Water

This super handy, durable sponge cleans tough dirt and marks using only water! It magically removes scuffs, grime, soap scum, tar, permanent marker, crayons, and more. **SPONGE BOY** can be used on walls (painted or wallpaper), appliances, countertops, bathroom fixtures, doors and other hard surfaces. Use **SPONGE BOY** to quickly spot clean or to deep clean when cleaning chemicals are not desirable for use, or are not available.

DIRECTIONS

Wet **SPONGE BOY** and wring out. Rub lightly on surface to be cleaned.
