

SUCTION SPLASH GUARD 60

60 Day Urinal Screen
w/ 3 Suction Cups

SUCTION SPLASH GUARD 60 drastically reduces unwanted backsplash and keeps your urinal and surrounding floors clean and dry. The fragrances in the **SUCTION SPLASH GUARD 60** work to deodorize the room and provide a fresh, clean scent for up to 60 days. This freshly scented urinal screen stays in place with three integrated suction cups. **SUCTION SPLASH GUARD 60** has a simple installation and removal process. Also includes a bullseye for easy aim and target practice. **Available in Fresh (Blue), Cucumber Melon (Green) and Mango (Orange)**

DIRECTIONS

Begin by flushing the urinal so that there is moisture for the suction cups to adhere to. Place the bottom of the **SUCTION SPLASH GUARD 60** at the bottom of the urinal and press down so that it is flush against the urinal. Push each suction cup against the back wall.
