

# The Answer Summer Gel

## Gelled Deodorizer

**THE ANSWER** is a unique gelled deodorant designed to be used anywhere offensive odors are a problem. The clinging gel allows product to be applied on horizontal, vertical and irregularly shaped surfaces. Its slow releasing formula continuously provides fragrance for extended periods of time. Ideal for use on hard, non-porous surfaces. Spray on air conditioner filters, above doors, in trash receptacles and dumpsters, on walls, in port-toilets, above ceiling fans and behind toilets. Areas of use include in automobiles, homes, laundry rooms, pet areas, hotels, schools, municipalities, hospitals, kitchens, nursing homes . . . anywhere!

**Directions:** Shake well. Point towards area to be treated. Spray in a slow sweeping motion approximately 10-12" from surface. Product will continuously release pleasant fragrance and will totally evaporate over time. Reapply after product dissipates or when more odor control is desired.
