

Section 1 ~ Identification

Identity (As Used On Label and List) B5102 U-POD	Date Prepared: 02-04-2015
Company Information: OMEGA INDUSTRIAL SUPPLY, INC	Emergency Telephone Number: 1-800-424-9300
Address (Number, Street, Suite/Apt#) 101 Grobric Ct #1	Telephone Number for Information: 1-800-571-7347
(City, State, and Zip Code) Fairfield, CA 94534	Signature of Prepare (Optional) REGULATORY DEPT.

Section 2 ~ Hazard(s) Identification

GHS Hazard Classifications	Not classified
Physical Hazards	Metal corrosives Category 1
Health Hazards	Acute Toxicity Oral Category 4 Skin corrosion/irritation Category 2 Serious eye damage/eye irritation Category 2A Specific target organ systemic toxicity - single exposure Category 3 Cancer causing Not classified
Environmental Hazards	Hazardous to the aquatic environment -acute Category 3 -long term Category 3 ※ [Classification not possible] or [Not Classification] is the Hazards Category which is NOT written on the above.

Hazard Pictogram		Signal Word: May be corrosive to metals.
-------------------------	--	---

Hazard Statement	Harmful if swallowed (do not ingest). Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation
Precautionary Statement	※ Under normal use it is safe to install U-Pod with blue plastic bag Please read SDS before use. Keep only in original container. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Absorb spillage to prevent material damage and to avoid release into the environment. Call a poison center or doctor/physician if you feel unwell If Inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If in Mouth: Rinse mouth with water If on Skin: Wash with soap and water. If in Eyes: Rinse continuously with water for several minutes, remove contact lenses if present and easy to continue rinsing. Take off contaminated clothing and wash before reuse. If Skin Irritation Occurs: Get medical advice/attention. If Eye Irritation Persists: Get medical advice/attention.

Storage	Store in in the original container in a cool dry place
Disposal	Dispose of contents/container at an appropriate waste disposal facility in accordance with local/regional regulation

Section 3 ~ Composition/Information on Ingredients

Substance / Mixture: Mixture
General Products Description: Urinal cleaning device (U-Pod)

Ingredients and Composition Name	CAS No.	%
Sulphamic Acid	5329-14-6	87.6
Polyethylene Glycol	25322-68-3	12

Section 4 ~ First Aid Measures

Inhalation: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If breathing is difficult, administer artificial respiration. If exposed or concerned: Get medical advice/attention
If on Skin: Rinse skin immediately. If the appearance of the skin has changed, Get medical advice/attention. Gently wash with soap and water. Take off contaminated clothing and wash before reuse.
If in Eyes: Continue to rinse with fresh water for at least 15 minutes. Get immediate medical advice/attention.
If Swallowed: Get medical advice/attention. Rinse mouth. Do not induce vomiting

Section 5 ~ Fire Fighting Measures

Extinguishing Media: Carbon dioxide Foam or powder fire-extinguisher.
Specific Method of Fire-Fighting: Extinguish the fire using fire-fighting media. Fighters should work from the windward side. Around the place where a fire has occurred, Authorized personnel only.
Protective Measures in Fire: Fire fighters should wear proper protective equipment, eliminate all ignition sources if safe to do so.

Section 6 ~ Accidental Release Measures

Personal Precautions: Wear protective equipment in cases of accidental spill or release. Keep unauthorized personnel away.
Environmental Precautions: To minimize the impact to the environment, keep released or spilled product from entering sewers, storm drains, and other natural water ways, Notify relevant authorities according to local regulations
Method for Cleaning Up
Prevention of Secondary Hazards: Stop leak if safe to do so. Keep away all ignition sources and prepare extinguishing media. Dispose of incrustation.

Section 7 ~ Handling and Storage

※Under normal usage for intended purpose(U-Pod) is safe
Handling
Technical Measures: No information.
Precautions for Safe Handling: *Under normal use it is safe to install U-Pod with blue plastic bag. Wash hands thoroughly after handling. Avoid ingestion. During manufacturing: Wear protective equipment when risk of exposure occurs, use corrosion-resistant protective equipment and handle in a well ventilated area.
Sanitation: Do not eat, drink and smoke while handling. Wash hands thoroughly after handling.
Storage Conditions: Do not store containers under direct sunlight or near fire. Store in original container in a cool dry location. Do not store sulfurous acid and active chlorine compound adjacently. Avoid long term storage.
Material for Container and Package: Containers which are prescribed in Fire and Disaster Management Act and UN transport regulations.

Section 8 ~ Exposure Controls/Personal Protection

1.Administrative Exposure Limit	Name	1	2	ACHIG-TLV
2.Occupational Exposure Limit	Sulphamic Acid	Not determined		No information

Manufacturing Facility Control: Install eye washers and safety showers in work sites where the substance is manufactured and handled. Ventilation equipment should be explosion-resistant. Use corrosion resistance or heat resisting property hoses used to convey for device or chemicals

Respiratory Protection Hand Protection: Respiratory protective equipment. Protective corrosive resistant gloves (rubber, polyethylene)

※ Under normal use it is safe to install U-Pod with blue plastic bag.

Eye Protection: Wear suitable protective goggles.

Skin and Body Protection: Wear protective equipment for face. Wear protective clothing

Section 9 ~ Physical and Chemical Properties

Appearance: White Crystalline Powder

Odor: Slight odor

pH: No information

Melting Point/Range: 205°C

Boiling Point/Range: No information

n-octanol/Water Partition Coefficient: No information

Spontaneous Ignition Point: No information

Viscosity, Dynamic: No information

Flash Point: Not applicable

Specific Gravity: 1.2-1.3

Section 10 ~ Stability and Reactivity

Stability: Stable under normal condition

Possible Hazardous Reactions: There are no reactive

Conditions to Avoid: None known

Incompatible Materials: Strong oxidizing compound

Hazardous Decomposition Products: Will not occur

Section 11 ~ Toxicological Information

Please refer NO.2 HAZARDS IDENTIFICATION

Section 12 ~ Ecological Information

Please refer NO.2 HAZARDS IDENTIFICATION

Section 13 ~ Disposal Considerations

Disposal must be made according to regulation in your country or region

Section 14 ~ Transportation Information

International Restriction

Maritime Regulations (IMDG regulation)

UN Number: 2967

UN Classification: Class 8

Packing Group: III

Aviation Regulations (ICAO and IATA regulations)

UN Number: 2967

UN Classification: Class 8

Packing Group: III

Domestic Restriction

Rail and Road Transportation Information: None

Marine Transportation Information: Follow the mode of transportation as provided in the vessel safety law

Aviation Transportation Information: Follow the mode of transportation as provided in the aviation law

Section 15 ~ Regulatory Information

Vessel Safety Law: Corrosive substance

Aviation Law: Corrosive substance

Act on Port Regulations: Corrosive substance

Section 16 ~ Other Information

Disclaimer: Omega Industrial Supply, Inc. believes the information contained herein is based on data believed to be accurate as far as the data we had on hand when this sheet was prepared. However, no warranty or guarantee is given regarding the contents of this Safety Data Sheet, or the physical and chemical properties of this product, or any hazards or harm to property or individuals that may result from using it. All remarks and precautions are premised on ordinary handling and it is the user's responsibility to use the product correctly for its intended purposes. We assume no responsibility for any damages or injury resulting from intentional misuse of this product.
