

WEED EATER

Weed Killer Spray

WEED EATER provides rapid knockdown and kill of most weeds and unwanted vegetation. Use around fence rows, parking lots, building loading ramps, storage yards, tank farms, industrial plant sites. Use to kill weeds that interfere with drainage, create a fire hazard, or cause unsightly appearance. Contains a soil sterilant, which will control weeds for up to one year. Can sprays upside down only. It is a violation of Federal Law to use this product in a manner inconsistent with its label.

GENERAL WEED CONTROL: To Control Most Weeds for an extended period on buildings and industrial plant sites, apply 1 can per 65 sq.ft. To Control Annual Weeds and grasses including foxtail, ryegrass, wild oats, crabgrass, cheatgrass, broomsedge, ragweed, lambs quarter and turkey mullein, apply 1 can per 65-128 sq. ft. For other hard-to-kill perennial weeds and grasses, such as Johnsongrass, Saltgrass, bouncing bet, bracken fern and horsetail, apply 1 can per 65 sq. ft. The minimum pretreatment interval is 30 days.

DIRECTIONS FOR USE: Remove protective cap. Invert can and point opening spray point towards weeds to be sprayed. Depress the tab on the side of top and spray weeds throughly.

Health	2
