

D-BUG

Natural Insect Repellent

D-BUG has a superior DEET FREE formula that utilizes nature's three most effective repellents - Citronella, Tea Tree, and Eucalyptus. **D-BUG** is Paraben Free with No synthetics and No preservatives each bottle delivers 350+ sprays that will protect for 4+ hours. **D-BUG** will not damage plastics or stain fabrics unlike DEET and other chemical pesticides.

Citronella - *Cymbopogon nardus*

A cultivated and sustainable grass plant from Indonesia. Recognized by US EPA and European Commission as safe and effective. Repels various insects including mosquitos, biting midges, black flies, fleas, and ticks.

Tea Tree - *Melaleuca alternifolia*

Sustainable extract from the leaves of Australian Tea Tree oil is long known as a highly effective antimicrobial and an excellent aromatic for fighting off insects.

Eucalyptus- *Corymbia citriodora*

Sustainable extract from the leaves of eucalyptus trees. Repels mites, fleas, biting flies, and mosquitoes. Recognized by US EPA and European Commission as safe and effective.

Directions: Mist onto exposed skin and clothing to prevent landing and biting of flying insect. Reapply as necessary.
