

GYM SHINE

Waterless Gym Floor Cleaner

GYM SHINE is designed for daily use on wood gymnasium floors to remove dirt, spills and rubber marks. Evaporates completely and quickly, without oily residue. Restores shine and will not harm the finish. **GYM SHINE** safely and effectively removes a variety of soil types from wood flooring. When applied properly, this product will leave a clean, streak-free shine to finished floors.

DIRECTIONS FOR USE: For best results, sweep area to remove all loose soils from the area to be cleaned.

MAINTENANCE: Dust mop after every 4 hours of use with a dust mop that has been treated with **GYM SHINE** (treat the dust mop the night before use, NOT right before use).

PRE-TREATMENT OF DUST MOPS: From a distance of 8 to 12 inches, spray **GYM SHINE** lightly and evenly over a soft cloth or dust mop. Allow a few minutes to absorb, if possible. Reapply as needed. Always allow product to evaporate before subjecting the floor to foot traffic or athletic activity.
